Ms. Grantham,

Thank you very much for the quick response. We are very flexible depending on what dates and times work for you all, but is there any chance that the Administrator would be available on Tuesday, April 15th before 12 PM or after 2:30 PM? Josh Stebbins and some of our other staff will be in Boston that day already. I realize that may be a quick turnaround, so if we need to look later I can send some dates/times for May as well.

Thank you,

Mark

Hi Mark and Isabelle,

I am contacting you in response to your March 24th letter to EPA Region 1 Administrator Curt Spalding.

We would be happy to set up a time for a discussion with the Sierra Club. If you could let us know what dates might work for you, we will make arrangements for the meeting here in Boston.

Thanks
